Dear Parent / Guardian,

All pupils receive PSHE sessions on designated days throughout the year. During some of these days, sessions may include aspects of sex education. In Year 7 these include issues such as changes during puberty. As your child progresses through their school career, more mature subjects such as contraception, sexual health and healthy relationships will be discussed.

As part of the Education Act you have the right to exempt your child from sex education either partly or wholly. If you **DO NOT** wish for your child to receive sex education sessions please sign and return the slip below by September 28th 2018. Please note whether your child is to be excluded from session either partly or wholly. If partly please give details.

Yours sincerely,

Catrin Davies
PSHE Coordinator

Meleri Jones
Assistant Headteacher

I **DO NOT** wish my child to receive sex education wholly / partly* during their time at school.
