COUNT ON and WRITE ON Achieving in Mathematics and English

Building on the successes of Count on and Write on last year, the Central South Consortium are organising revision sessions for South Wales' schools to target C grade topics in English and Mathematics.

The sessions will be taught by the service's staff along with specialist teachers and it is anticipated that a different learning environment and the opportunity to work with other pupils and teachers will provide further encouragement to pupils to achieve the best they possibly can in their examination.

English and Mathematics Subject Leaders have nominated your child to be part of the scheme which will be held on Monday the 21st of March in Cardiff City Stadium. The provision is free and the school will arrange transportation.

Each pupil will attend five different sessions on the day and tea, coffee and lunch is provided for them. We will be leaving the school at 8:40 and returning in time for the buses.

Please could you complete and return the permission slip below by Friday the 18th of March. Places are limited so please get in touch as soon as possible if you **do not** wish for your child to take part in the scheme. Please contact me using the details above if you would like to discuss the scheme further.

Thank you for your continued support

Catrin Evans
Assistant Headteacher
